

Psi Iota Xi Song Lyrics

Psi Iota Xi – National Song

Arranged by Susie Lewis

So here's to the Psi Iota Xi,
Where ever she may be.
May our friendships never die
But live to eternity.

May she be true to the turquoise blue
And reverence the dear old gold,
Ne're say farewell, but just adieu,
And prosper a thousand fold.

So solemnly we take our vows,
Never to forget;
And sing her praise a thousand ways,
From coast to bare inlet.

The present day may pass away
But in the future years,
The thoughts of you... the gold, the blue
Will fill our eyes with tears.

The thoughts of you... so good, so true
Will fill our eyes with tears.

In The Heart of Psi Iota Xi

*Credit to Virginia Lee Brightwell and
Frances Cory*

Alpha Epsilon Chapter, Jeffersonville, IN

There will never be a love like ours,
Our sorority with all its sacred hours.
When we take our vows so very solemnly,
We pledge that we will loyal be.

When we learn the meaning of our name,
Of the Blue and Gold and of our lofty aim.
For the Lamp, the Laurel, and
The Lyre will ever lie,
In the heart of every Psi Iota Xi.

Grace Before Meat

*Words and Music by Mary Garrett Deer
Arranged by Susie Lewis*

For the peace Thy gracious presence
lends,
For the joy of eating with our friends,
For the food thy loving bounty sends,
Father, we thank Thee, Amen.

Golden Shafts of Sunlight

By ??

Golden shafts of sunlight
Blue from Heaven above.
Colors we have chosen,
Each with a meaning we love.
And may our love for thee,
Golden shafts of sunlight,
Blue of a sunlit sky.
The Gold ever worthy, and blue
Ever true... To Psi Iota Xi.

To Psi Iota Xi

By Clare B Ulen

We pledge our hearts in song
To Psi Iota Xi,
True to her we will be.
Whatever our destiny,
Though seas may roll between,
Our hearts are joined in our sorority.
Loyalty and love, Psi Iota Xi,
Pledge we now in song to you.

By your lofty aims,
Noble heights we gain,
Following your precepts true.
We took the Blue and Gold
From our sunset sky,
And blended them in glorious hue.
A symbol when unfurled,
Of hope throughout the world,
Psi Iota Xi, we sing to you.

Psi Iota Xi Song Lyrics

We Welcome You

*Words and Music by Ellen Carter
Beta Theta Chapter, Eaton, Illinois*

The time has now come for us to meet,
You in our chapter to greet.
We'll solemnly give you our
Secrets so sweet,
As you become a Psi Iota Xi.

To Psi Iota Xi we welcome you,
To Psi Iota Xi we pledge anew
Our hearts' undying love and loyalty
And may we ever faithful be.

From Psi Iota Xi, the gold and blue,
From Psi Iota Xi, the hand clasp, too;
The laurel, lamp and lyre,
The rose and pin,
We give to you from our sorority.

Faithful Forever

*Words and Music by Mary Garrett Deer
Beta Gamma Chapter, Peru, Indiana*

Let's sing a song of the gold and the blue
To our sorority loving and true.
Sisterhood, dear to us,
Ever be near to us.
Hear, as our vows we renew to you.
Psi Iota Xi. As the years pass by...
Help us your every ideal to uphold
Cherish dearly the turquoise and gold.

And may our love for thee,
And our loyalty,
Be fixed and unchanged
As the stars in the sky;
Faithful forever to Psi Iota Xi.

Others (A Prayer)

*"Help me to live for others, that I may live
like Thee!"*

*Words by C.D. Meigs, Music by Arthur A.
Penn*

Lord, help us live from day to day
In such a self-forgetful way
That, even when we kneel to pray,
Our prayers shall be for others.

Help us in all the work we do,
To ever be sincere and true;
And know that all we'd do for You,
Must need be done for others.

Let "Self" be crucified and slain
And buried deep, and all in vain.
May I forget the crown I've won,
While thinking still of others.

Others, Lord, yes, others.
Let this our motto be;
Help us to live for others,
That we may live like Thee.
